Christmas Tree Lighting & Vendor Booths

On Saturday, December 4, 2021, the City of Pine Forest will be hosting our Annual Community Christmas Tree Lighting. We welcome our community to join us for the festivities. We will have vendor booths, refreshments & crafts for the kids to enjoy. Students from the Pine Forest Elementary Choir will also be joining us with Christmas Carols. Vendors are welcome to set up a booth for our community to enjoy. If you wish to set up a booth, please call City Hall to set up arrangements and discuss details.

Watch your speed!

Please Slow Down, Our Children are at Play! Orange County Sheriff's Department & Pine Forest Officers will be randomly patrolling and issuing tickets. Keep our community a safe place to live.

Grants Administrator: Lacey Turner

LTurner@cityofpineforest.com

Hello Pine Forest Residents,

Things are happening here at Pine Forest City Hall! We have officially moved out of the temporary trailer from Hurricane Harvey and back into the original city hall building. We have awarded the office expansion project to a builder and should began construction soon. We are hoping to have the additional space finished by the end of October. It's been a long time coming but our patience has paid off. Also, we have applied for several grants to repair and improve infrastructure and are searching for grants for playground equipment, as well as a walking track. These grants take time but will be worth the wait. We are making every effort to improve our city and our quality of life. My goal is to make Pine Forest a city you will all be proud to call your home. Happy Fall and take care.

Sincerely,

Mayor Cathy Nagel
